

## A COMMITMENT WITH SUSTAINABLE TOURISM: RAINFOREST ALLIANCE

Occidental Grand Xcaret has been distinguished in the Riviera Maya as a hotel that includes into our daily activities eco-friendly practices as a gesture of interest in the impact on our planet, plants, animals and community.

At the end of July we were visited by a member of Rainforest Alliance who verified the performance and accomplishment of the policies stated in their guidelines to be a "Rainforest Alliance Verified™" organization.

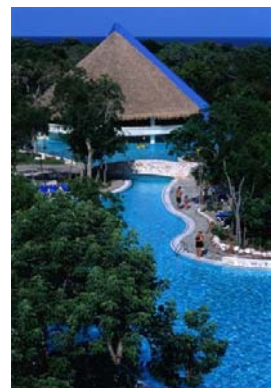

The results made possible that Occidental Grand Xcaret became part of the organizations that meets satisfactorily more than 77% of Rainforest Alliance's requirements. Now we can proudly communicate to our clients through this important certification and trade mark our commitment to the adequate use of natural resources and our interest to encourage sustainable tourism.

Verified as meeting  
Rainforest Alliance  
sustainable tourism  
requirements

As having this certification the hotel complies with the performance of the following activities:

- ✓ Has a documented Mission and Vision focused on sustainable development, which are carried out through different activities .
- ✓ The hotel employees are continuously trained in ecofriendly practices to be done at hotel but also at their homes and at their communities.
- ✓ Performs social responsibility activities with community
- ✓ Fulfill all legal requirements concerning environmental issues .
- ✓ Look for alliances with suppliers and clients to achieve their desired goals.

**Take Care of the Present so you can Enjoy the Future!**
